

Terms of Use

Effective Date: [June 1, 2016]

Last Updated Date: [September 13, 2016]

I. Introduction and Eligibility

Please read these Terms of Use (“**Terms**”) carefully before using the Coin Up Service.

These Terms include Company’s Privacy Policy, which is incorporated by reference into these Terms.

Binding Agreement. These Terms constitute a binding agreement between you and Coin Up, LLC (“**Company**,” “**we**,” “**us**”). “**You**” and “**users**” shall mean all nonprofit users of the Coin Up Service. If you do not accept these Terms, you must not use the Coin Up Service.

Revisions to Terms. We may revise these Terms at any time by posting an updated version. You should visit this page periodically to review the most current Terms, because you are bound by them. If we modify these Terms, we will notify you, and you will be required to accept such modified Terms as a condition to continuing to use the Coin Up Service.

II. The Coin Up Service

The “**Coin Up Service**” means the Coin Up application (the “App”) and its associated features and services, including without limitation the www.coinupapp.com website operated by Company.

Defined Services. The Coin Up Service provides an online platform to virtually “round up” the donor’s debit or credit card transactions and use this “spare change” to make tax-deductible donations to the registered nonprofit of their choice, less the transaction fees (described below). Once registered, the donor is able to set a monthly limit on their donation and donate on a recurring, monthly basis using user’s credit or debit card. The donations will be charged on the 1st of the following month (or first business day of the following month) for their spare change “rounds ups.” The donor will be charged the lesser of the total spare change rounded up or the donor’s specified monthly limit. Donors may change or terminate their designated charity, monthly cap, bank, or monthly donations at any time using the Coin Up Service’s functionality. Donations will be sent directly to the (donor’s selected) nonprofit bank account, net of all fees (as described below), that is designated on the 1st of the following month (or the first business day of the following month).

Registration and Approval Requirements. You (the nonprofit) are required to register online at <http://www.coinupapp.com> under the Registration for Nonprofits Tab. We require that you meet certain criteria in order to meet our approval requirements, including designation by the Internal Revenue Service as a nonprofit organization described in Section 501 (c)(3) of the Internal Revenue Code (Letter of Determination) and compliance with state regulations that

govern charitable solicitation. See “IV. Your Account” and Appendix A – State Registration.” At any time and at our sole discretion, Coin Up, LLC may accept or reject the registration of any nonprofit that registers online at www.coinupapp.com.

Effective Dates of Service. The Coin Up Service is valid for one year from Effective Date of the nonprofit’s approved registration and confirmation of reading and accepting these Terms and Conditions by authorized signature or email confirmation by an authorized person of the organization. “Effective Date” is defined as completion of registration with Coin Up AND confirmation of reading and accepting these Terms and Conditions by authorized signature or email confirmation by an authorized person of the organization. These services and Terms and Conditions will renew automatically upon the commencement date of each following year, unless otherwise cancelled by Coin Up or you, the nonprofit organization. The Coin Up Services may be terminated by you, the nonprofit, or Coin Up at any time or in accordance with state mandated contract provisions incorporated herein by reference (SEE APPENDIX A). All best efforts will be made by Coin Up to forward any outstanding donations for the final subscription cycle to the respective charity after cancelation or termination.

All banking information is encrypted and stored on secure, bank approved, third party servers.

You will be solely responsible for the losses incurred by Company and others due to any unauthorized use or incorrect information of the Coin Up Service under your access credentials.

V. Donations and Payments

Donations. When donors reach their specified monthly limit or at the end of month, whichever comes first, Company will charge their designated credit or debit card for their designated monthly donation. For clarity, you understand and acknowledge that your designated charity will receive the amount of the donation, less the cost of our third party payment processing and the costs of our operations, marketing, and technology (collectively referred to as “transaction fees”). Transaction fees are calculated as 15 percent of donated amount on a monthly basis plus a \$1.00 **one-time** fee for each new user registration. Donations will only be processed when they reach a minimum of \$5.00.

Payments. The Coin Up Service currently uses third parties to process payments. Our third party payment processors accept payments through various credit and debit cards, as detailed on the applicable payment screen.

Bank Account. Donations will be made directly from the donor’s designated credit or debit card, net of fees, to the bank account that you have registered with us through WePay, our designated payment processor.

United States Dollars. All monetary transactions on the Coin Up Service take place in U.S. dollars.

Cancellation Terms. Monthly donations reoccur automatically until your account is cancelled with us. You may cancel your account with us at any time by sending us an email at hollerback@coinupapp.com. Your cancellation will be effective at the beginning of the next subscription cycle. “Subscription Cycle” is defined as the 1st of the month after the month of spare change round ups are calculated for donation. Donors are charged for their spare change rounds ups on the 1st of the following month and designated funds (less any fees) are directly transferred to your account from this transaction.

Refunds. If you believe any charge was incorrectly received to your account, you must contact us to seek resolution. If we determine that a charge is in error, we will issue a reversal in the amount of the charge in dispute.

Invoices. You will receive monthly invoices from Coin Up that will reflect the total charges incurred for each respective month.

Tax Donation Receipt. You are responsible to issue tax donation receipts to each of your donors after each calendar year per Internal Revenue Service regulations to provide proof of donation to donors for tax purposes. Coin Up will make every effort to help facilitate this process.
